Rugby Union Trials

Well done to Hamish who attended the selection trials for Rugby Union last week. Hamish reported he enjoyed the day.

Young Leaders

Jack and Hamish attended the Young Leaders conference in Sydney last week. They heard Creel Price, Mike Martin, Nathan Hindmarsh, Jess Cox and Brett Lee speak. The main messages they got from the day were:-
Be a great role model; do not leave anyone out: encourage others: keep going and be respectful; always do your best; help others; learn to accept others as they are; don’t judge and never act greater than others.

Easter Hat Parade

All the students enjoyed the Easter Hat parade and they all looked stunning in their creations.

- 250g rice noodles
- 24 prawns, shelled, defrosted & tail removed
- 1 tablespoon chilli paste
- 4 cups chopped bok choy
- 4 carrots, sliced into thin batons
- 3 spring onions, thinly sliced on the diagonal
- ½ cup roasted, unsalted peanuts
- 3 kaffir lime leaves, thinly sliced (optional)

**Sauce:** 1 tablespoon fish sauce

- 1 tablespoon sugar
- ½ cup water
- 1 lime, juiced
- 1 sliced red chilli

**Method**

Heat a wok or large frying pan over a medium-high heat. Spray with oil. Add prawns and chilli paste. Stir-fry until prawns are coloured and cooked through. Remove from pan and set aside.

Spray wok with oil and add bok choy, carrots and spring onions. Stir-fry for 2-3 minutes. Add noodles to pan, toss to combine and stir-fry for 1 minute more. Add sauce and toss to coat noodles. Return prawn mixture to pan, with peanuts and lime leaves (if using). Toss to combine and heat through. Serve immediately.
There were a number of donations approved at Council’s March meeting:

- $1500 was approved for the Lawson Festival for an acquisitive prize in the Art Competition,
- $1000 was approved for the Gulgong Harness Association for the Gulgong – Grenfell Heritage Drive. This year the drive travels from Gulgong and terminates in Grenfell.
- $70 was approved to Landcare for the Bird Forum which is coming up next month. Quite a number of visitors are expected in Grenfell for this event.
- $180 was donated in kind for the Historical Society for last week’s exhibition of old photographs and other memorabilia from Grenfell’s early days.
- Soft fall with an estimated value of $1400 was approved for the Grenfell Lions Club for the new playground equipment being installed at the railway precinct.

The Yass Shire Council is campaigning for the Barton Highway between Yass and Canberra to be upgraded to a four-lane highway. A petition has been provided and is available at the front counter of the Council office in Grenfell until late April. Anyone who travels this road, and would like to support the upgrading is invited to sign the petition for return to the Yass Shire Council to assist its campaign.

The recent trip by the five rail group councils to Parliament House to meet with Minister Gay was quite productive. The Minister’s staff was able to produce a revised Memorandum of Understanding which included nearly all the changes requested by the councils, and hopefully can be signed by the councils before the end of April. Once that signing is completed, the Minister has undertaken to invite expressions of interest for the operation of the line. The councils are aware of several firms or partnerships that may be interested in our line, and are quietly confident that a suitable operator will be found.

The council group has previously met with senior advisors in Federal Minister Crean’s office and gained good support for our project. The recent events in Canberra mean that we now have to deal with Minister Albanese’s office and a second visit may be necessary to maintain our support.

The council representatives left the Sydney meeting in an optimistic mood and are looking forward to fulfilling their objective in conjunction with both the State and Federal Governments. If it all comes to pass as anticipated it will be a truly ground breaking achievement.

A number of people have enquired about the extensive tree pruning programme which is being carried out in Grenfell. This programme is not organised by Council but by a contractor engaged by Essential Energy. There have been many pruning programmes in the past but none as severe as this one, and many residents have noticed the difference.

A previous Regional Manager of Country Energy advised that aerial bundled cable (ABC) was an option in urban areas to reduce the need for tree pruning. Unfortunately that hasn’t happened to date.

Breastscreen has advised that their mobile screening unit will be back in Grenfell on 22 April. This service is free to women between 50 & 69 years and does not need a doctor’s referral. Just call 13 20 50 to make an appointment and take advantage of this service while it is in town.

The Grenfell Art Gallery has compiled statistics since its opening in early 2009. To date there have been:

- 39 exhibitions,
- 18,225 visitors,
- $51,096 in sales.
- $10,219 in commission.

These are impressive figures for a new gallery and reflect very well on the organising committee and their dedicated band of volunteers.
