Primary Excursion

Good luck to Miss Patton, Mr Gorman, the Primary students and parents on their week long excursion to Melbourne. They are embarking on an adventure and we can’t wait to hear all about it. We will be watching the State of Origin in case we see you!!

Work Experience Student

This week Kurtis Meier from The Henry Lawson High School will be at our school to do Year 10 Work Experience. Kurtis will be here for the week and is looking forward to the experience that a Small School can offer.

Archibull Gala Day

On Friday we travelled to The Henry Lawson High School to participate in the Archibull Gala Day. We were joined by students from Grenfell Public School.

The high school students ran workshops to provide information about farming and the challenges faced by today’s farmers.

Students were engaged all day and enjoyed the activities. I would like to thank the students and teachers from the High School for their organisation.

Name the Calf Competition

A major part of the Archibull competition is the artwork that we do on the fibreglass calf.

The industry we have been given to research is "Grain".

To kick start our research, our calf needs a name. Students, parents and community members are asked to think of a creative name for our calf (it could incorporate our town, our industry etc.). The most creative name (as judged by the staff) will be chosen for the calf. You may enter more than once.

All entries are to be written on the entry slip at the end of the Community News in this newsletter and placed in the box in the office. The winner will be announced at next week’s assembly.
The last day of school for Term 2 is Friday 26th June. Students return to school for Term 3 on Tuesday 14th July.

**Pyjama Day for Motor Neurone Disease!**

Motor Neurone Disease refers to a breakdown of the nerve cells that control the muscles of moving, speaking, breathing and swallowing. Without these nerves, muscles slowly weaken and waste, affecting a person's ability to walk, speak, move and breathe.

The Caragabal Public School SRC invites you to wear your pyjamas on **Friday 26th June** to help research the causes of MND, develop effective treatments, and find a cure.

Cost: Please bring a **Gold Coin Donation**

**End of Term Assembly**

K-2 will be presenting the item at the end of Term 2 Assembly on 26th June 2015.

Reports will also be going home on this day.
