Welcome to Week 2!
I would like to thank the parents and community for their support and well wishes regarding Andrew’s wood cutting accident. It will be a long road to recovery. He is very lucky.

Year 6 students travelled to The Henry Lawson High School last Wednesday to take part in their first Science lesson for the term. The students had a great time making robots. Thank you to Deb Leabeater who transported the students to the high school.

Healthy Harold is again going to visit our school on Wednesday 5th August. The school will be subsidising the cost of this. A permission note has been sent home.

P&C CHANGE OF DATE

The date of the next P&C Meeting has been changed.

It will now be held on Thursday 30th July at 7:30pm

The photographer, Denise Yates, will be coming to our school on Thursday 23rd July to take professional photos of the grounds and the students for promotional purposes.

These photos will be used for brochures, website, flyers and information books. If you have any issue with your child having their photo taken, please let me know before Thursday.

If your child could wear their best school uniform on this day, it would be greatly appreciated.

Primary District Athletics is on in Parkes on Friday 31st July. 7 of our students will be attending. A permission note has been sent home.
