### The Tell Them From Me student feedback survey

I am delighted that this term, our school, like many others in the state, will participate in a Department of Education initiative: the *Tell Them From Me* student feedback survey. The survey aims to help improve student learning outcomes and measures factors that are known to affect academic achievement and other student outcomes. The focus of the NSW-wide survey is on student wellbeing, engagement and effective teaching practices.

The survey is a great opportunity for our students to provide our school with valuable and quick feedback on what they think about school life, how engaged they are with school and the different ways that teachers interact with them. Schools in Australia and around the world have used the *Tell Them From Me* survey to help improve how they do things at school.

I want to assure you that the survey is confidential and school staff will not be able to identify individual students from their responses. The survey is conducted online and will typically take less than 30 minutes to complete. It will be administered during school hours between 14 March and 8 April. Participating in the survey is entirely voluntary.

A consent form and a list of frequently asked questions (FAQs) for parents/carers about the survey is being sent home with students. If you **do not** want your child or children to participate, please return the consent form to school by **Friday 4th March**. The FAQs and copies of the consent form, including translated consent forms, are available from the website above.
